COMPANION SHEET · DEMONSTRATION PROTOTYPE

What we agreed

Complete this with your lawyer before you leave the appointment. Fill it in on screen or print it.

This sheet goes with the guide "Thinking about divorce?". It records what was agreed at your appointment so that you leave with a clear next step. It is a record for you, not a contract or legal advice. If you cannot obtain a document, use the online system or complete an agreed step, contact the firm and explain the difficulty. Ask what alternatives are available rather than guessing. If you are in immediate danger, call 000.
